

Kidsz in Action is an integral part of the Northreach Church's 1-1-1 philosophy.

1 Church service

1 LifeGroup

1 Serving

Kidsz LifeGroups are held as part of the Northreach Kidsz Church program and they serve during their normal Sunday church attendance. Kidsz are not rostered on every week so they are able to attend church services. We want our kids to be valued members of the church community, worshiping together, growing together.

Kidsz in Action

Kidsz in Action is a unique program within the Northreach Kidsz Ministry.

It is offered on a voluntary basis to all children from grade 5 through to 7. The ministry exists to give children and young people an opportunity to serve within the church. To encourage and inspire lifelong habits of serving, participating and becoming a valued member of the church community.

By participating in a relaxed and comfortable program with the church, these young people will be exposed to opportunities that will develop their individual gifts and talents, both personally and spiritually.

The program is offered during both the 8.30 and 10.15 am services during school terms. It operates alongside and as part of their age related Northreach Kidsz Sunday Services/Programs.
