Welcome to... Kiddli-Winks

Kiddli-Winks is the youngest group of Northreach Kidsz. It is dedicated to children aged 1 to 3 years

It operates during both the 8.30am and 10.15am church services through all school terms.

STORY TIME.

We are currently restocking our overloved storybook collection. Each week we share a story with the children, to teach them of God's great works.

We have about 20 toddlers that come to the room on a regularly.

While in the room they are kept busy with books, music and toys.

We now have a curriculum for this age group that includes a Bible Story, Prayer, and a themed Craft .

We can't do it without our fantastic team of volunteers that help to keep it all running each week. We have Supervisors, Assistants, KROIS and Parent helpers. But we are always ready to welcome more helpers. If you feel you are able to assist or would like some more information relating to Kiddli-Winks or any area of Northreach Kidsz please feel free to contact Amy or Carolyn.
