

Gathered Together – Part 1

DISCUSSION & REFLECTION

Re-read Acts 2:42-47

Why do you think Luke wrote this portion of scripture? Who was it to and what was its purpose to its original audience?

What similarities do you see in the early church continuing in our church today?

This new FAITH community was unified. In what ways has disunity grown in a group you have experienced? Pray against those things and for one another.

What does it mean that these people had "all things in common"? (Acts 2:44)

In verse 47, we are saved, and some are "being saved". How does this affect how we respond to God and think about others.
