## DISCUSSION & REFLECTION

1. How would you have felt if you were with Paul and Barnabas, leaving the fellowship of Antioch, and going out to make Christ known? Scared? energized? Disappointed?
2. What were some of the barriers they overcame to make the gospel known?
3. What areas of our community would you say are virtually unreached with the gospel?
4. Paul and Barnabas went to the synagogues first. What was the strategy in doing this?
5. What strategy could you and your group apply in our community to share the good news of Jesus?
